

# Patients in a digital world: Making the most of new opportunities for engagement arising from COVID-19

SKETCHNOTES © NATALY DESIGN

The above sketchnote was captured during the EPIS 2020 Pre-summit webinar that took place on the 29<sup>th</sup> October 2020. The sketchnote illustrates the discussions of patient community representatives on 'Using artificial intelligence (AI) to transform patients' experience of healthcare'. Please visit <https://www.episummit.net/> for further information and resources.
